CCA's Retreat Reward

Fundraising Proposal to CCA Families

Children's Craniofacial Association has a special way to reward families who raise funds for CCA, whose efforts support CCA's programs and services for everyone!

Any family netting at least \$5,000 in net funds for CCA within a year, will have **one hotel room** stay awarded at the following year's retreat at no charge to them for the 4-day Retreat event program (which includes the night before the Educational Symposium).

We're pleased to provide a free customized CCA webpage for anyone who wants to help raise funds for CCA. You may set a goal and we will track your success! When you tell your own story about your CCA kid, folks want to help because they know YOU! This is an especially easy way to "ask" for donations if you're uncomfortable with face-to-face asking. We can provide you a short link and help customize it with photos. You can also do this through various other sites, like GoFundMe, but do be aware they charge fees before passing the money on to CCA Kids.

Many families customize their site around our popular "Birthday Club" and not only are you able to ask for funds all year, but you can request donations in lieu of gifts, if you feel so inclined. Many families have raised well over \$5,000 through the CCA Birthday Club! Plus, we recognize all Birthday Club participants at Retreat with a silly hat and special dance!

This Retreat Room Reward invitation is extended to any family member and/or craniofacial patient, even those who already hold events throughout the year and includes any type of fundraising effort for CCA. Contact CCA for ideas, more information and to ask questions.

All those who wish to participate will be asked to sign the following **AGREEMENT** stating they understand and accept the provisions of this program. Thanks for considering helping all CCA kids in your family's name!

Please sign and return the following page by December 31 to be eligible for the award.

Thank you!

CCA's Retreat Reward

Fundraising Agreement

Children's Craniofacial Association has a special way to reward families who raise funds for CCA, those whose efforts support CCA's programs and services for everyone.

The _____ family

Child's and Family's Name

wishes to participate in the program to raise funds for CCA. This is a confirmation of understanding about the provisions of the reward program. ***December 31st is the deadline for each following year's retreat award.***

The undersigned person and their family understand this program provides for ONE hotel room for 4 nights (1 night before the Educational Symposium – Wednesday – plus the Retreat nights – Thursday, Friday, and Saturday nights - 4 nights total), at the following year's retreat. *Registration Fee Applies and must be paid by each family.*

It is further understood the family effort must garner NET funds of at least \$5,000 for CCA in order to receive this award.

It is further understood that if you agree and accept the reward for the Symposium, you must attend **at least 2 sessions** at the Educational Symposium or you will not be awarded the night prior to the Symposium (Wednesday). If you do not wish to attend Symposium, you can still accept the 3 Retreat Nights (Thursday, Friday, and Saturday evenings).

It is also understood there are no monies given to families for their effort and if the goal is not met there will be no "reward" or compensation, nor carryover to the following year. **All funds raised must go directly to Children's Craniofacial Association** and the reward is only for the Retreat hotel stay. This provision may not go toward any other purpose or be used under any other circumstances.

This invitation is extended to all CCA families and includes any type of effort to raise funds for CCA. **Friends and/or relatives may help and/or may donate and ask the amount be credited toward your goal.** *Please fill out a new form each year!*
