WHAT IS CHILDREN'S CRANIOFACIAL ASSOCIATION (CCA)?

CCA is a 501c(3) non-profit organization that serves families across the nation and internationally who are affected with craniofacial conditions. CCA addresses the medical, financial, psychosocial, emotional, and educational concerns relating to craniofacial conditions. Additionally CCA has created a #ChooseKind Initiative that provides complimentary educational material to educators and schools to combat bullying and encourage acceptance and kindness. The funds you raise go toward assisting CCA with their programs and serving families with craniofacial conditions.

HOW DO YOU FIND SUPPORTERS?

A supporter is someone who is going to join forces with you in raising funds for the cause by sponsoring your participation at our Dance-A-Thon. A supporter could be a family member, a neighbor, a friend, co-workers, etc.

HOW DO YOU ASK FOR A PLEDGE?

You can start by telling them about Children's Craniofacial Association and what they do.

Their mission is: CCA's mission is to empower and give hope to individuals and families affected by facial differences

Their vision is: CCA envisions a world where all people are accepted for who they are, not how they look.

Then you can tell them about your school's Dance-A-Thon and how their support will also help you participate in the event.

Not everyone you ask will be interested, and that is okay. Thank them for their time and for listening to you. Do not underestimate the power of creating awareness!

Thank you for your efforts!
They make a difference!
