# FUNDRAISER TOOLKIT

# THE FUNDRAISING BASICS

## **First, what is a “family fundraiser?”**

A family fundraiser is a third-party fundraising event conducted by an individual, group or organization in the community with proceeds to benefit Children’s Craniofacial Association.

It can be a physical or virtual event.

## **Why do families host fundraisers?**

They believe in our mission of empowering and giving hope to individuals and families affected by facial differences.

Sometimes families feel very alone and even powerless on their craniofacial journey. But many CCA families have found hosting or participating in a fundraising event can bring comfort and healing as well as a sense of community.

Hosting an event or joining an event committee is a commitment to hard work, but the reward is the community and the platform you develop. The connections you make with other families and volunteers in the craniofacial community will be your support, even as you are supporting them.

## **Who can host a fundraiser on behalf of CCA?**

Individuals and organizations can host an independent fundraising event to support CCA. These can be grateful patients and families, civic organizations, churches, schools, businesses, government agencies ... anyone in the community can hold an event to support the areas of greatest need or a specific program of your choice.

**You do not need to establish your own 501c3 to host a fundraiser for CCA.**

# SO, YOU WANT TO DO THIS?

*Let's Go!*

The first thing you need to think about when you plan to fundraise is:

## **WHO WILL I ASK TO SUPPORT THE CAUSE?**

In the fundraising world, we ask does my target invite list have the following:

- **PROPENSITY:** Does your audience have a desire to give? Are they philanthropic by nature? Do they give to other causes? Do they participate in other fundraising events?
- **AFFINITY:** Is this audience group passionate about your cause and nonprofit organization? Do they know your child or family member personally? Will they attend your event because of their friendship with you?
- **CAPACITY:** How much can this audience afford to donate? Do they prefer to get an experience along with their donation? Would they prefer to donate online versus spend time and energy at an event?

Once you've determined your audience, then you need to: **FORM A PLANNING COMMITTEE.**

Bringing together a group of enthusiastic and dedicated people who share an interest in raising money for a great cause will increase the probability of a successful event. This group can be comprised of just you and your partner, it can be a book club, your extended family, or neighbors! The possibilities are endless.

# NEXT STEPS...

## **Choose the “right” event.**

The type of event you choose should fit the size, interests, talents, goals and time availability of your planning committee.

Identify your target audience. Consider who is most likely to attend and support the type of event you have selected.

## **Develop a budget.**

Try to identify all the expenses involved with your event (invitations, postage, rental space, signage, food and catering, promotional materials, website, advertising, etc.) Then think about possible sources of funds, and people and companies you know who may be able to donate products (food, equipment) or services (design, printing, photography) to reduce your expenses. This will help keep your costs down, which is something everyone will appreciate.

***We encourage you to maintain fundraising costs at 20% or less of your overall expected revenue.***

## **Develop an event timeline.**

A timeline is important in planning a publicity strategy for your event.

## **Schedule the event.**

Select a time that is appropriate and convenient for those who will be attending. Be sure to check local community calendars for conflicting events.

## **Create a ledger.**

You will need to establish a spreadsheet or accounting system to keep track of incoming revenue and expenses.

## **Market your event.**

Make sure you create a buzz, ask CCA to help you with invites, and create a Facebook event to invite supporters.

# BASIC EVENT TIMELINE

## 3-4 months before the event:

- Identify your target audience based on demographics, interests and location, and develop a targeted media list.
- Send a save-the-date if it is a large event.
- Begin soliciting sponsors.

## 4-6 weeks before the event:

- Distribute media materials (i.e. media alert, Facebook posts, Facebook events, etc.).
- Continue looking for sponsors and ask for payment.

## 2 weeks before the event:

- Make follow-up calls and send e-mails to media who received the information.
- Remind invitees via email, social media, and personal phone calls. Remind them to purchase tickets and RSVP.

## 1-2 days before the event:

- CONFIRM, CONFIRM, CONFIRM! Make sure everyone who is providing a service is still coming and give them day-of instructions and venue directions.
- Email a media alert with the basic information about your event (who, what, when, where and why) to the TV news' assignment desks and photo desks at the daily newspapers.
- Send reminder emails to RSVP list (CCA can help with this)

## Day of the event:

- **Start your day with a reminder of who you're helping and why you're doing this amazing thing! Be grateful to yourself!**
- Email / text Good Morning, Event Location and Directions, and your Point of Contact information to all your vendors, volunteers, etc.
- Make sure your photographer is on site and has all their equipment, supplies, and a shot list.
- Smile and roll with the punches! Try not to let day of anxiety get to you! You're doing great work!

# HOW DO I HANDLE DONATIONS?

## COLLECTING THE FUNDS

*You have choices here!*

**You can ask people to donate online.**

CCA can create a donation portal for you. We can set up an online portal for registrations/donations that is a dedicated, secure webpage.

If you go this route, donors will get automatically emailed receipts and CCA can give you reports on what has been donated.

If you are solely fundraising on Facebook, all you have to do is setup a fundraiser via Facebook's simple steps.

**You can accept cash and checks before and during your event, but remember to keep a detailed ledger.**

Please note CCA cannot issue charitable tax receipts for donors or sponsors who make payments directly to you or your third-party event.

We ask that all event proceeds designated for CCA be forwarded to the CCA office within 30 days following the conclusion of your event.

**DO NOT MAIL CASH!**

If you or your donors want a receipt, please be sure the check is made payable to the CCA and leave the check in its original form before sending it to the office.

Please note that there are complex regulations around the distribution of charitable tax receipts. This includes donations of money, in-kind items and services. Issuing an inappropriate receipt can put our charitable tax status in jeopardy so please do not promise any kind of receipt.

For more information about charitable tax receipts please contact the Christine Andler, [candler@ccakids.com](mailto:candler@ccakids.com).

# WHERE DOES MY DONATION GO?

- There are many services, programs and general funding at CCA that your donation can support. If you have a passion for a specific area, we will work with you to ensure your donation goes directly to that area.
- You cannot earmark funds for a specific individual, because that is not allowed due to IRS guidelines.
- You can earmark funds for specific uses / programs.
- We will always endeavor to fulfill your philanthropic goals with the dollars you raise; as long as those goals align with CCA's overall mission.

# A PHOTO IS WORTH 1,000 WORDS

- Make sure you have photography secured for your event!
- Post on VolunteerMatch.org or email photographers in your area and respectfully ask them to volunteer at your event (CCA can help with this)
- Also encourage amateur or hobby photographers to come in addition to professional volunteers
- Consider setting up a photo booth with a backdrop and props for people to take their own photos at the event
- Email all photographers a shot list (CCA can provide suggestions)
- Make sure photographers capture the names of people in the photos and/or captions
- Ask attendees to sign Waiver / Release of photos (CCA can provide a template); Make sure you note anyone who does not want their photo taken and/or shared.
- Please send the best shots to CCA in a Dropbox or Google Drive!

# FAQS

**DO I NEED TO CREATE A 501C(3) to HOST A FUNDRAISER FOR CCA?** No, anyone can host a fundraiser for CCA with our approval. Staff can provide an authorization letter confirming the organizer's intent to raise funds for CCA.

## **CAN SOMEONE FROM CCA HELP ME PLAN MY EVENT, AND ATTEND AND/OR SPEAK AT MY EVENT?**

We are happy to provide guidance for your event, but we do not have the staff to handle all the organizational and administrative tasks associated with third-party events. Children's Craniofacial Association has a special way to reward families who raise funds for CCA, whose efforts support CCA's programs and services for everyone.

Any family netting at least \$7,500 in net funds for CCA within a calendar year (from 1/1 -12/31 of each year), will have one hotel room stay awarded at the following year's Annual Family Retreat & Educational Symposium at no charge to them for the 4-day duration of the event (which includes the night before the Educational Symposium).

This Retreat Room Reward invitation is extended to any family member and/or craniofacial patient, even those who already hold events throughout the year and includes any type of fundraising effort for CCA. Contact CCA for ideas, more information and to ask questions.

All those who wish to participate will be asked to sign the following AGREEMENT stating they understand and accept the provisions of this program.

Thanks for considering helping all CCA kids in your family's name!

Please sign and return the following page by December 31 of the preceding year to be eligible for the award.
